COLOUR IN
Catty Colin friend!

SHEET

1

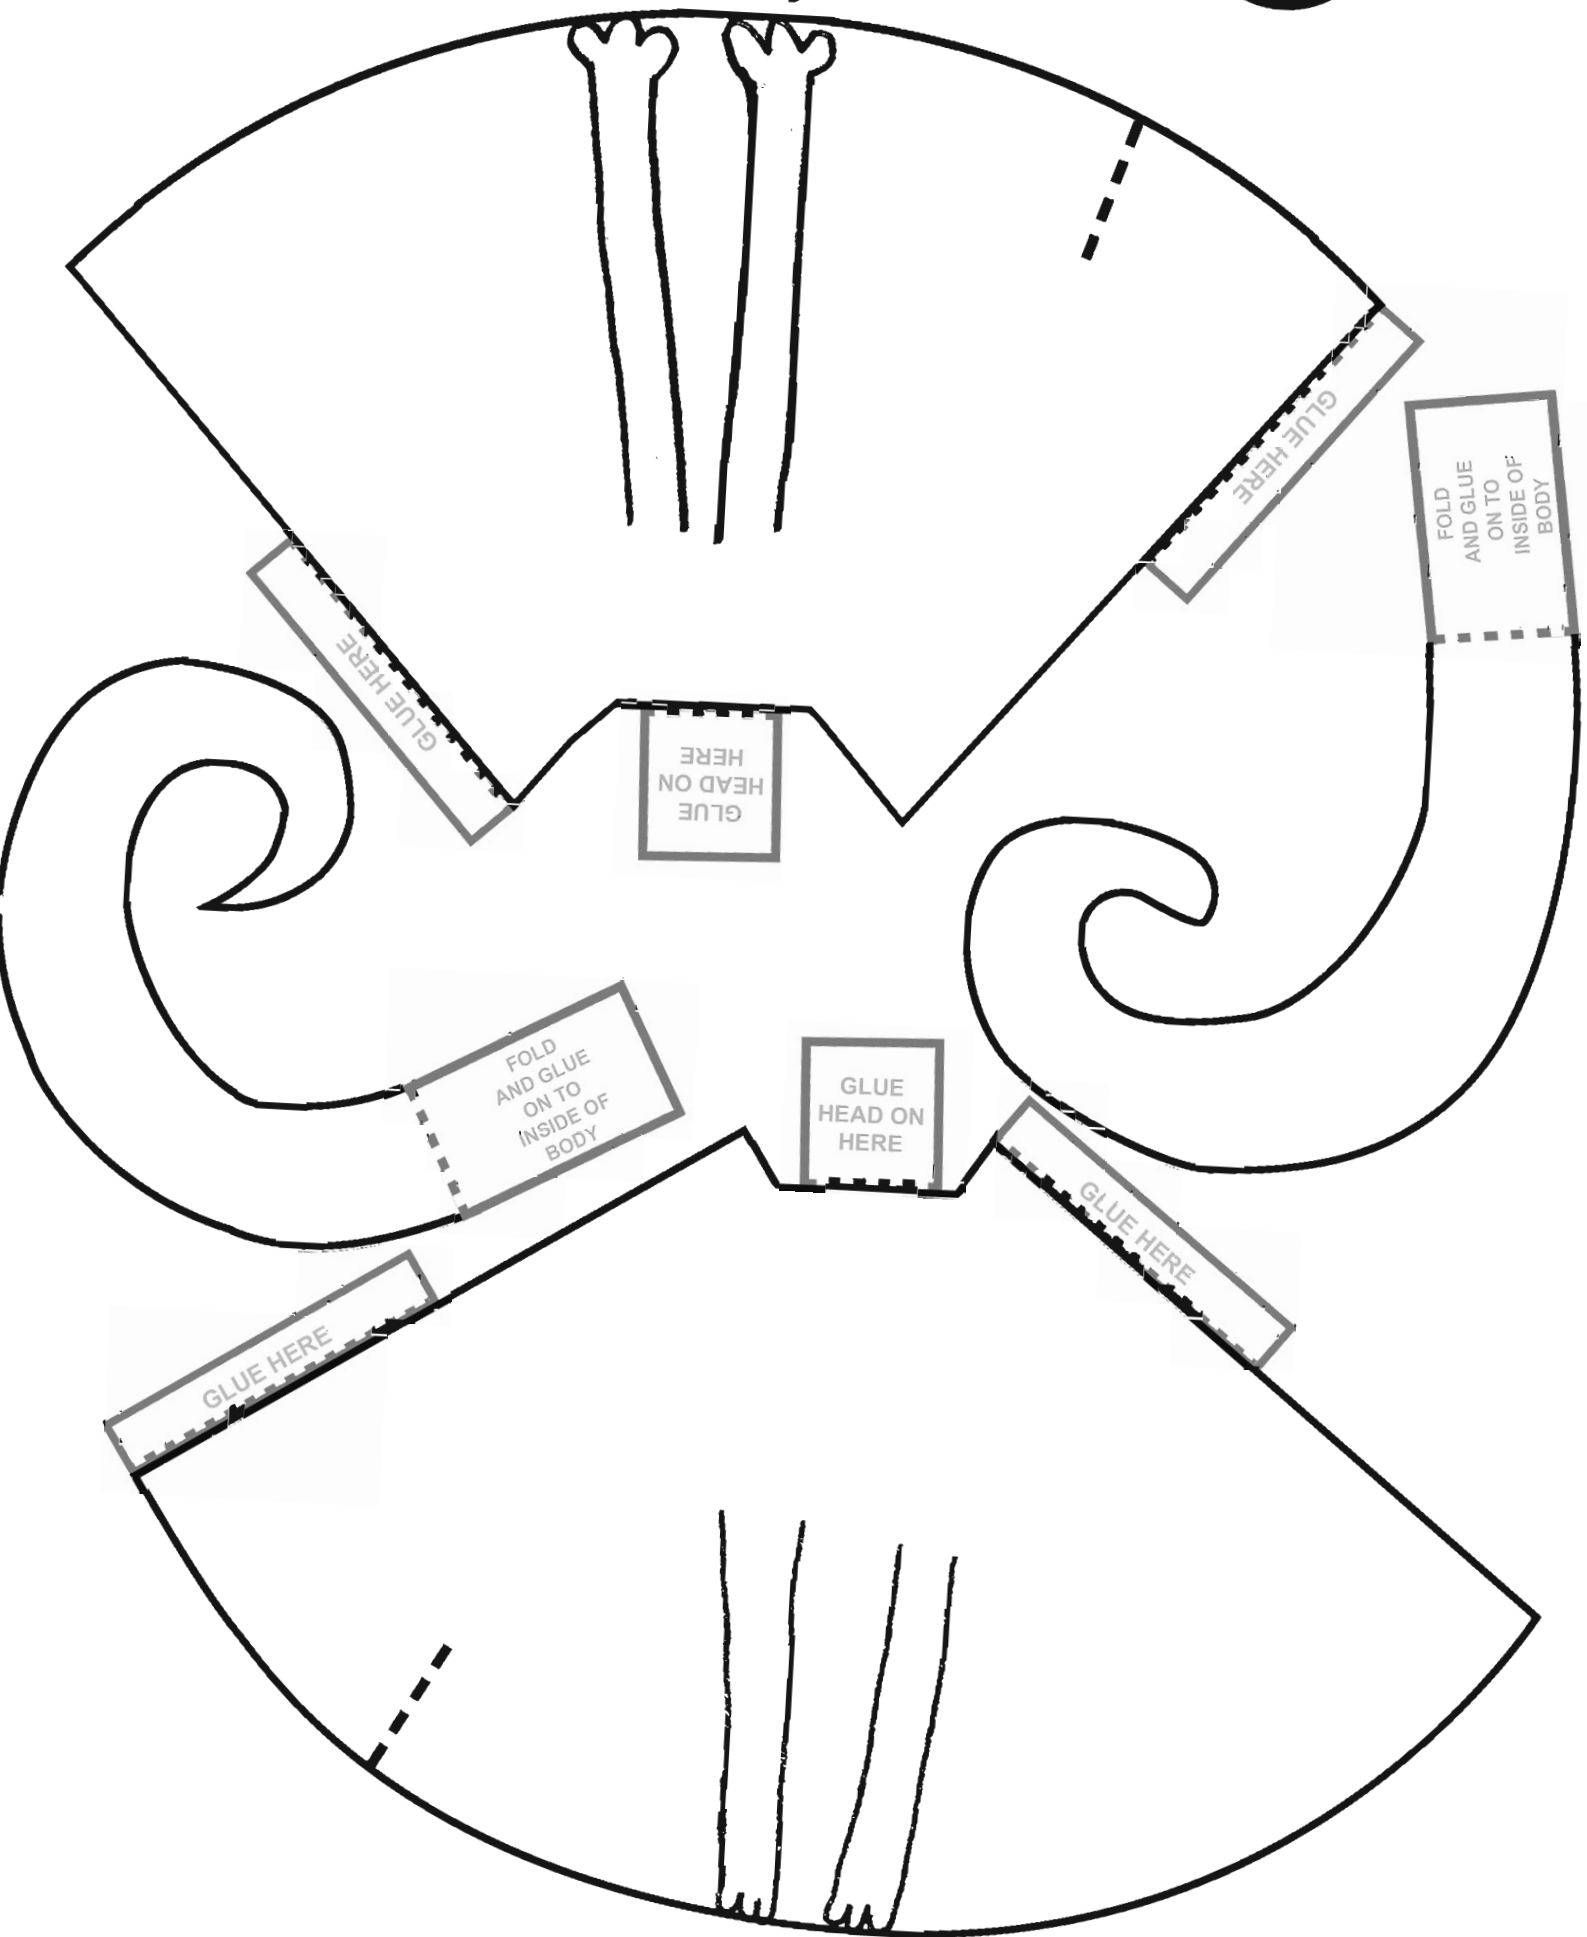

1. Colour in and cut out all of the pieces on the 3 sheets.
(Or if you only want to make one cat, you can just choose 1 of each piece).
To strengthen the pieces you can stick them onto bits of card cut to shape.
2. Take a body piece and bend into a cone shape.
3. Stick the 2 side flaps under the body to form a secure cone.
4. Choose a pair of eyes and stick them on a head piece of your choice.
5. Position and stick the head on the neck flap.
6. Cut down the dotted line at the base of the cone body.
7. Slot the tail (with glue on the base) into position on the body cone.
